

Following today's Mass, someone will probably hand you an envelope outside related to the Junipero Serra case. I want to clarify that I am not directly involved with this group, they do not represent our parish, nor do I have anything to do with the content of these envelopes. It is essential to note that the archdiocese oversees the official management of the case and the restorative justice process.

In order to prevent any misunderstandings or inaccuracies, it is crucial that our actions align with the guidance provided by the archdiocese. The archdiocese is leading the restorative justice process, and it is important for us to follow their lead in this matter.

I encourage all parishioners to regularly check the archdiocese's website for accurate updates and official announcements to remain well-informed. Your cooperation and understanding are vital as we strive for unity and transparency within our community.

If you have any questions, please do not hesitate to reach out to me or the parish office. Thank you for your continued support and collaboration in this process.
